

All - In - One Transmission Spring Compressor

T-0158PAC
Universal

There's a reason the name is "The Every Buddy" because it does it all and it will become your greatest friend after using it. It's unlike any transmission press any one has ever seen. It pulls / It presses without the struggle of a foot pedal. Easy to adjust from one size to another in the matter of seconds. This Buddy will become your most prized possession in the shop.
